Schedule “A” to Bylaw 2014-26

General Accessibility Policy Document Adopted by Council on December 2, 2014

LEGISLATION:

Ontario Regulation 191/11 made under the Accessibility for Ontarians with Disabilities Act, 2005 (AODA) requires that Municipalities develop, implement and maintain policies governing how they achieve or will achieve accessibility through meeting its requirements referred to in that Regulation. Municipalities are also required to prepare one or more written documents describing these policies.

STATEMENT OF COMMITMENT:

The Corporation of the Township of Hudson exists to serve its residents and those who come to the area. We are committed to treating all people in a way that allows them to maintain their dignity and independence. We are also committed to giving people with disabilities the same opportunity to access our facilities and services and allowing them to benefit from the same services, in the same place and in a similar way as other residents and visitors. We are committed to meeting the needs of people with disabilities in a timely manner, and will do so by preventing and removing barriers to accessibility and meeting accessibility requirements under the Accessibility for Ontarians with Disabilities Act.

The Township of Hudson is committed to meeting the need for accommodation for its employees and prospective employees with disabilities. These commitments include meeting the accessibility needs of persons with disabilities in a timely manner to the extent that is feasible under the circumstances.

We are committed to including people with disabilities in the development of our accessibility plan and will make a status report publicly available each year to highlight our accessibility achievements.

IMPLEMENTATION:

The Township of Hudson will continue to establish and maintain policies, practices, and procedures that are consistent with the accessibility standards established under the AODA, including in the areas of accessible customer service, information and

communication, employment, transportation, and the built environment.

The Township of Hudson shall adopt a Multi-Year Accessibility Plan before January 1, 2014 and shall use this plan to guide the implementation of this policy.

DESCRIPTION OF POLICIES IN SPECIFIC AREAS:

Customer Service

The Township of Hudson has an Accessible Customer Service Policy that was passed by Bylaw 2009-19 on December 2, 2009, which meets current requirements.

Accessible Emergency Information

The Township of Hudson does not currently have any written policies in this area. We acknowledge, however, that accessible emergency is required.

Information and Communications

The Township of Hudson does not currently have any written policies in this area. The Township of Hudson acknowledges, however, that information and communications are a large part of our daily business and that there is a need to ensure that information and communications are created and presented in a way that considers accessibility. The Township of Hudson has an Accessible Customer Service Policy that was passed by Bylaw 2009-19 on December 2, 2009 makes reasonable efforts based upon the needs of the community and upon request within the constraints of being a small, northern and rural community.

Reasonable efforts take into consideration the availability of the service requested, the relative cost compared to the overall Municipal budget, and best practices recognized by similar rural municipalities and Provincial regulation.

Employment

The Township of Hudson has a Hiring Policy that was passed by By-law 2007-20 on December 5, 2007. The policy needs to be amended to address the requirements of the Ontario Human Rights Code, consideration of persons with disabilities for employment, and making accommodations to satisfy the needs of applicants and employees who have disabilities.

The Township of Hudson shall develop a written policy regarding supports for employees with disabilities on or before January 1, 2015.

Design of Public Space

The Township of Hudson does not currently have any written policies or procedures regarding accessibility and the design of public spaces. The Township of Hudson does, however, ensure that all new construction and major renovations to Municipal property and buildings meet the current accessibility requirements in the Ontario Building Code. The Township of Hudson shall develop written procedures for dealing with temporary disruptions when accessible elements required under O. Reg. 191/11 are not in working order on or before January 1, 2016.

DOCUMENTS TO BE PUBLICLY AVAILABLE:

The Township of Hudson posts its information upon our website at www.Hudson.ca and will make them available in alternate format upon request within a reasonable period of time. Upon adoption of this Policy Document, it shall be posted on our municipal website and made available in an accessible format upon request, as specified above.

The Corporation of the Township of Hudson

Schedule “B” to Bylaw 2014-26

Multi-Year Accessibility Plan 2014-2019

1. Introduction

The purpose of the Accessibility for Ontarians with Disabilities Act, 2005 (AODA) is to achieve accessibility for Ontarians with disabilities with respect to goods, services, facilities, accommodation, employment, buildings, structures and premises on or before January 1, 2025. This Act is expected to improve opportunities for people with disabilities and to provide for the identification, removal and prevention of barriers to their full participation in life in the Province.

Under the AODA, all municipalities have a legal obligation to prepare a multi-year accessibility plan as set out in Section 4 of the Integrated Accessibility Standards Regulation (IASR) O. Reg. 191/11 as follows:

Accessibility plans

- 4. (1)** The Government of Ontario, Legislative Assembly, designated public sector organizations and large organizations shall,
 - (a) establish, implement, maintain and document a multi-year accessibility plan, which outlines the organization’s strategy to prevent and remove barriers and meet its requirements under this Regulation;
 - (b) post the accessibility plan on their website, if any, and provide the plan in an accessible format upon request; and
 - (c) review and update the accessibility plan at least once every five years.

- (2)** The Government of Ontario, Legislative Assembly and designated public sector organizations shall establish, review and update their accessibility plans in consultation with persons with disabilities and if they have established an accessibility advisory committee, they shall consult with the committee.

- (3)** The Government of Ontario, Legislative Assembly and designated public sector organizations shall,
 - (a) prepare an annual status report on the progress of measures taken to implement the strategy referenced in clause (1) (a),

- including steps taken to comply with this Regulation; and
- (b) post the status report on their website, if any, and provide the report in an accessible format upon request.

Integrated Accessibility Standards Regulation (IASR) includes accessibility standards in: information and communications; employment; transportation; and the built environment. It is in addition to Ontario Regulation 429/07 with respect to accessible customer service.

The Township of Hudson is classed as a “small designated public sector organization” as defined in O. Reg. 191/11 and as such is required to meet the requirements of the regulation by complying by the dates prescribed for that class of organization. This Plan outlines the specific steps that the Township of Hudson intends to take to meet these requirements on or before the prescribed dates.

2. Statement of Commitment

The Corporation of the Township of Hudson is committed to treating all people in a way that allows them to maintain their dignity and independence. We believe in integration and equal opportunity. We are committed to meeting the needs of people with disabilities in a timely manner, and will do so by preventing and removing barriers to accessibility and meeting accessibility requirements under the Accessibility for Ontarians with Disabilities Act.

We are committed to including people with disabilities in the development of our accessibility plan and will make a status report publicly available each year to highlight our accessibility achievements.

The Township of Hudson is committed to excellence in serving all residents and visitors including people with disabilities and we will carry out our functions and responsibilities in the following areas:

- customer service
- accessible emergency information
- procurement
- training
- information and communications
- employment
